CONTENT: APPS

These are the most important parts of Goodie Yahnz. Goodie Yahnz apps are some of the most available apps. They are always opened in a browser because, they are [HTML](#) files. They used to be downloadable but stopped on 28th February, 2025 because of some errors. Now each Goodie Yahnz app as a url and the app can be opened and used freely without signing or logging in. Goodie Yahnz currently have two apps;

A/N	App	url	Release date	Description
1.	Cod E Dit	https://goodieyahnz.com.ng/Cod-E-Dit/COD-E DIT.html	26th Dec, 2024	A code editor
2.	Anim A Kri	https://goodieyahnz.com.ng/Anim-A-Kri/Animakri.html	26th Dec, 2024	An animation app
3.	Grafik	https://goodieyahnz.com.ng/grafik/	24th April, 2025	A CorelRAW like graphic maker

Note: Each Goodie Yahnz app can be made offline by clicking Ctrl + S or Saving the page.

Cod E Dit

This is the first app of Goodie Yahnz. It is a free, online app as it was no more offline until 28th Feb, 2025. Though it can be made offline by saving the page. The user writes text and it is saved as another format. And the text is also stored for future use. It works as a text editor, but specializes basically on code.

Anim A Kri

This is the second app of Goodie Yahnz. Just like Cod E Dit, Anim A Kri is a free online app that can be made offline by saving the page. The user animates by copying the file url and pasting it in the right area. It works with CSS code, but no code work is done by the user. It has 500 frames, with a frame rate of 50fps making each file duration 10 seconds.

Grafik

This is the second app of Goodie Yahnz. It is an app that can produce graphics and styling them using CSS codes. It works by creating a rectangle, and styling it both in element and in text. And just like Anim A Kri, no CSS code is written. It just styles the same way CSS does. It can also show you the HTML code of your picture, and can also show your picture in another HTML file.
